School _____

Current Grade * _____ GPA _____ Email _____

*preference will be given to students currently in 10th or 11th grade

Why do you want to be a part of GLADE? _____

How will GLADE benefit you? What do you think you might do with the skills and information you gain from GLADE?

List any volunteer activities, group programs and/or youth organizations in which you have participated and briefly describe your experience:

After successfully completing GLADE, you will be given an opportunity to apply for a \$500 grant to develop an environmental project in your home community. Therefore, describe an environmental project that you would like to complete in your community. _____

List any job experiences you have had.

What are some of your educational and career interests? Please explain:

In your opinion, what characteristics or qualities do you have that will contribute to the success of group projects and interactions during the Green Leadership Academy? Please list these characteristics and explain why they are important:

On a separate sheet of paper, compose an essay that describes in detail a personal experience(s) that heightened your appreciation and/or awareness of nature. Be thorough and include any knowledge or values that you gained from the experience.

Include a letter of recommendation from your high school biology teacher, or other teacher/counselor that understands your interest in the environmental sciences.

Please return

- 1) this application form**
- 2) your essay**
- 3) your letter of recommendation**
